

DATE: February 10, 2008
TO: Genesee Foundation Board of Directors
FROM: Anne Sherwood
SUBJECT: Governance Report
2/13/08 Board Agenda Item VI.D.5.

Governance will be following the HB 08-1270, regulating the installation of energy efficiency measures.

Introduced by Representative Andy Kerr on January 31, 2008, this bill in its current form would expand the existing statute regarding to the installation of solar energy devices in homeowners associations.
