---

The Election Process has started. An article was placed in the August 2007 Genescene and an article will be placed in the September and October editions again asking for volunteers to fill the open positions. The official election dates are:

Candidates Night	Tuesday, October 16
Open Forum	Monday, October 29 (if needed)
Annual Election	Tuesday, November 6

An Election Committee is being formed.

At the Annual Meeting and Volunteer Appreciation scheduled for Thursday, November 8, the Volunteer Appreciation will be given through recognition of outstanding volunteers for 2007. I would like the Board Committee Liaisons to begin putting your lists together of your volunteers and how many approximate hours they will have given to the Foundation by the end of 2007. This year we would like to honor our volunteers in a special way. This list will be needed by September 30, 2007.
