

COMMUNICATION COMMITTEE REPORT VIII

January 3, 2007

The Communication Committee met on Wednesday, January 3, 2006. Attending members were:

Barbara Actor
Marge Bartsch
Shirley Gibson
Adrienne Andrews Glenn

First order of business was to have attending members fill in the Committee/Club Membership List for the Year 2007 and also sign Consent for use of Photographs by Genesee Foundation.

Committee members met to discuss our goals for 2007, as the Board wished to approve goals at their January 10th meeting. Several ideas were suggested and discussed. Committee members were each given an individual goal and asked to put into proper wording and email to the chair. The chair would then incorporate all the goals into a final document. This would be emailed to members for final input and approval. The goals would be presented to the Foundation Board the following week.

Shirley Gibson, an editor of the Genescene, stated that Katie Cuntz has resigned from the staff. I asked if she would contact Katie and have her email me an official letter of resignation. Shirley will also see that Eve Glesne's name is removed for the staff list, as she resigned the end of September.

The staff of the Genescene has welcomed a new volunteer, Lorna Chorn. She will have an article regarding her neighbors in the February issue. Also, she is very interested in doing photography for the publication. Two other volunteer forms were received from residents, both interested in doing feature writing. Shirley and Adrienne will be following up on their applications.

The next meeting is scheduled for Wednesday, February 7, 2007.
