SUPPLEMENTARY DECLARATION  
OF  
COVENANTS, CONDITIONS, AND RESTRICTIONS  
FOR  
GENESEE FILING NO. 6  
AND  
GENESEE FILING NO. 8, PHASE 1

THIS SUPPLEMENTARY DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS (“Supplementary Declaration”) is made as of this 7th day of July, 1976, by THE FIRST NATIONAL BANK OF DENVER, a National Banking Association (hereinafter referred to as “Declarant”) for and on behalf of GENESEE LAND COMPANY, a Limited Partnership, which Partnership is hereinafter referred to as the “Developer.”

R E C I T A L S:

- A. There has heretofore been recorded a Declaration of Covenants, Conditions and Restrictions for certain real property located in Jefferson County, Colorado, (the “Declaration”) which Declaration was recorded in Book 2714 at Page 901, records of the Clerk and Recorder of Jefferson County, Colorado.
- B. Pursuant to Article II of the Declaration, the Developer shall have the right to make subject to the Declaration additional properties by filing of record supplementary declarations with respect to such additional properties, the effect of which shall be to extend the coverage of the Declaration to such additional properties and make such additional properties subject to assessments for their just share of the expenses of the Genesee Foundation (the “Foundation”).

C. Declarant and Developer desire to make the Declaration applicable to certain additional real property located in Jefferson County, Colorado (the “Additional Property”), which Additional Property is described in Exhibits 1 and 2 attached hereto and incorporated by reference herein by the recording of this Supplementary Declaration.

NOW, THEREFORE, the Declarant declares that the Additional Property is and shall be held, transferred, sold, conveyed, leased, and occupied subject to the protective covenants, conditions, and restrictions set forth in the Declaration and in this Supplementary Declaration, all of which shall run with the land.

#### Section 1. Applicability of the Declaration

Pursuant to Article II of the Declaration, the coverage of the Declaration shall be and is hereby extended to the Additional Property described on Exhibit 1 (which Additional Property is sometimes specifically referred to herein as “Genesee Filing No. Six”) and on Exhibit 2 (which Additional Property is sometimes specifically referred to herein as “Genesee Filing No. 8: Phase 1”), both of which Exhibits are attached hereto and incorporated by reference herein, and such Additional Property is and shall be held, transferred, sold, conveyed, leased and occupied subject to the covenants, conditions, restrictions, easements, charges, liens and right set forth in the Declaration and hereinafter set forth, all of which shall run with the land.

#### Section 2. Single Family Lots (“Lot(s)”)

##### (a) Permitted Uses.

1. No noxious or offensive activity shall be carried at any Lot, nor shall anything be done or placed therein which may be or become a nuisance or cause unreasonable embarrassment, disturbance or annoyance to other Owners in the enjoyment of their Lots or the General or Special Common Properties.
2. Home occupations shall be limited by right to persons engaged in the professions of medicine, dentistry, law, design and fine arts, and other self-employed types of occupations including but not limited to accounting, realty, needlecrafts, and collecting and marketing of objects d’art. All home occupations shall be subject to the approval of the Architectural Review Committee and the following provisions;
  - i. Any occupational use must be located within the dwelling used by such person for his or her home and no external evidence thereof shall be permitted.

- ii. The total area devoted to occupational use shall not exceed twenty-five percent (25%) of the gross floor area of the dwelling, and in no event shall the same exceed four hundred (400) square feet. Garages or porches attached or otherwise, shall not be included in the floor area.
- iii. Only one assistant not a resident of the premises may be employed at any one time.
- iv. Such home occupations may be engaged in by the occupant only, and may not be transferred between ownerships or from Lot to Lot.
- v. Other similar home occupations may be engaged in if not detrimental to other Owners, if permitted by the Jefferson County Zoning Code, and only if such activity is approved by the Architectural Review Committee.

3. No oil or gas drilling or the extraction thereof or mining operations shall be permitted on any Lot. No Lot Owner shall be permitted to drill a well intended for the extraction of water from the ground, nor construct a septic or sewage disposal system on any Lot without prior approval of the Architectural Review Committee. The Genesee Water and Sanitation District shall install or cause to have installed water distribution and sewer collection lines to a point proximate to the property line of each Lot or in the roads adjacent thereto, and connection by Lot Owners to the facilities of the District shall be mandatory.

4. No Lot shall be used except for residential purposes, except as provided in Subsection 2(a)(2) of this Supplementary Declaration. Each Dwelling constructed on a Lot shall contain a minimum of One Thousand, Five Hundred (1,500) square feet of fully enclosed floor area devoted to primary living space (exclusive of roofed or unroofed porches, terraces, garages, unfinished basements or other structures). A maximum of two (2) buildings shall be permitted on each lot, one of which shall be utilized as a residence, with the other building serving as a garage, studio, greenhouse, guest or servant quarter, or combination thereof. The restrictions set forth in this subsection (4) may be varied or waved by the Architectural Review Committee at its discretion upon good cause shown.

5. In order to preserve the natural quality and aesthetic appearance of the existing geographic areas within the Property, all property lines shall be kept free and open one to another and no fences or plantings stimulating fencing shall be permitted on any lot or lot lines, except where, in the opinion of the Architectural Review Committee, a fence or other

enclosure, as a structure or aesthetic feature of a design concept, will contribute to and be in keeping with the character of the area.

6. No clothes line or equipment intended for children's recreational use, such as swing sets and slides, shall be placed within the Lot in such a way as to be exposed to view from roads, General or Special Common Properties or other Lots, unless said clothes line or equipment is surrounded by fencing or other screening approved by the Architectural Review Committee. This restriction is intended to shield from view, in a practical and attractive way, such installations and shall not be so construed as to exclude installations tastefully hidden among trees or rock formations.

7. No exterior antennas shall be permitted except as approved by the Architectural Review Committee, and in any event, such antennas shall be placed in such a manner and location as to be least visible from neighboring Lots, General or Special Common Properties or roads.

8. No elevated tanks or appurtenances of any kind shall be erected, placed, or permitted upon any part of a Lot. Any tank used in connection with any dwelling (e.g. for storage of gas, oil or water) and any type of refrigeration or heating apparatus must be located underground or concealed by appropriate fencing or screening. The restrictions contained in this subsection (8) may be varied or waived only with the prior approval of the Architectural Review Committee.

9. All electric, telephone, television, radio, and other utility lines shall be placed underground when extended from the Lot line to any Dwelling or other improvement on the Lot.

10. No exterior horns, whistles, bells, or other sound devices, except security devices used exclusively to protect the security of dwellings and other improvements or essential to the function of community services, shall be placed or used on any Lot or on the General or Special Common Properties.

11. No permanent exterior lighting of any sort shall be installed or maintained on any dwelling or other improvement on the Lot, the light source of which is visible from: a neighboring lot or lots, General or Special Common Properties, or roads. All lighting must be in conformity with lighting standards promulgated by the Architectural Review Committee from time to time.

12. Trees shall not be cut or tree roots disturbed by trenching on a Lot without prior approval of the Architectural Review Committee.

(b) Special Lot Restrictions

(1). Height. In no event shall any detached single family dwelling unit or structure on any Lot exceed a height of thirty-five (35) feet. Measurements shall be taken from the highest point of natural grade adjacent to the foundation of such dwelling or other improvement. On the following enumerated Lots, the Architectural Review Committee shall discourage and has the right to prohibit the construction of a dwelling, or any portion thereof or attachments thereto, or other improvement which exceeds the elevation listed below for the respective Lot. The elevation datum set forth below is based upon topographic surveys in the possession of the Developer and the information contained in such surveys as to elevations shall, for the purpose of these restrictions on height, be deemed conclusive. Copies of the aforesaid topographic surveys are available at the office of the Developer for review.

(2). Setback and Drainage Easements. Unless otherwise approved in writing by the Architectural Review Committee, construction of any dwelling or improvements is prohibited on designated setback areas of all Lots in Genesee in Filing No. Six, except Lot 77, and of all Lots in Genesee Filing No. 8: Phase 1. Lots 107, 110, 112, 113, 116, 117, 123,

127, 128, 129, 131, 132, and 139 in Genesee Filing No. 8: Phase 1 are subject to certain drainage easements which cross portions of said lots. The Architectural Review Committee shall also have the right to prohibit construction on any dwelling or other improvement on the areas subject to such easements. The approximate setback areas and drainage easements in Genesee Filing No. 8, Phase 1 are shown on Exhibit 3 to this Supplementary Declaration, which Exhibit is entitled "Development Guide Genesee Filing No. Eight, Phase 1" and dated May 26, 1976. The approximate setback areas in Genesee Filing No. Six are shown on Exhibit 4 to the Supplementary Declaration which Exhibit is entitled "Development Guide Genesee Filing No. Six" and dated February 27, 1976.

(3). General. The restrictions and limitations set forth in Section 2(b)(1) and (2) of this Supplementary Declaration are in addition to, but not in lieu of the other restrictions and limitations contained in the Declaration, and any further Supplementary Declarations. The restrictions set forth in this Section 2(b) may be varied or waived by the Architectural Review Committee at its discretion upon good cause shown unless otherwise prohibited by applicable zoning or platting requirements.

(c) Livestock and Pets

No domestic animals or fowl totaling more than three (3) generally recognized house or yard pets shall be maintained within any Lot. If an Owner chooses to keep house or yard pets, said Owner shall at all times have them under his or her control, whether within the Lot or in any other location within the Property. Animals shall not be permitted to roam at will, and at the option of the Developer or the Foundation, steps may be taken to control any animals not under the immediate control of their Owners, including the right to impound animals not under such control and charge substantial fees to their owner for their return. The Developer and Genesee Foundation shall have the right to adopt further rules and regulations to enforce this provision.

No horses shall be kept or otherwise maintained within the Lots. Further, no horses shall be ridden or otherwise permitted on any of General or Special Common Properties, except in those areas specifically designated by the Developer or the Genesee Foundation for such purposes.

(d) Landscaping and Maintenance

(1) Lot Owners are encouraged to landscape their Lots using indigenous species. The Architectural Review Committee shall retain the right to require that the trees or shrubs on the Lot be located or trimmed so as to preserve or enhance the view from other Lots within the immediate vicinity.

(2) No Lot shall be used or maintained as a dumping ground for rubbish. No garbage or trash or other waste shall be placed anywhere other than in covered sanitary containers which shall be maintained in good and clean condition. Containers shall be made of a material which will minimize noise during handling. No waste shall be burned upon any Lot. All garbage and trash collection and disposal shall be in strict compliance with the rules of the Genesee Foundation.

(3) No exterior fires shall be permitted except for barbeque fires contained within receptacles designated for that use. No coal or other type of fuel which gives off smoke, excepting wood and charcoal shall be used for heating, cooking or any other purpose within a Lot unless approved by the Architectural Review Committee.

(4) A Lot and all improvements thereon shall be maintained at all times by the Owner in good condition and repair. The Owner shall cause all dwellings and other improvements to be refinished, resurfaced, or repaired periodically as effects of damage, deterioration or weather become apparent. Appearance, color, type of painting or stain, or other exterior condition shall not be changed without prior approval of the Architectural Review Committee. All appropriate repairs and replacements shall be made as often as necessary. Unsightly conditions shall constitute a nuisance as defined in Section 2(a)(1) hereof.

(5) Each Lot Owner shall maintain the landscaping as approved by the Architectural Review Committee upon his Lot in good condition. An Owner shall remove weeds and water and trims lawns and shrubs as often as the same shall become necessary and otherwise remove waste material from his Lot.

(e) Automobile, Boat, and Camper Parking

(1) Trucks, trailers, mobile homes, truck campers, boats, and commercial vehicles shall not be kept, placed or maintained upon any Lot, road, private drive, or on the General or Special Common Properties in such a manner that such vehicle or boat is visible from neighboring Lots, General and Special Common Properties, or roads. The provisions of this paragraph shall not apply to temporary construction shelters or facilities maintained during and used exclusively in connection with the construction of any Dwelling or other improvement permitted by this Supplementary Declaration. An appropriate parking area shall be designated by the Developer on property covered by the declaration for the parking and storage of recreational vehicles, and all such vehicles not placed within Lots in conformity with the above requirements shall be parked in the approved storage area. A reasonable charge may be made by the Developer for use of such a vehicle parking areas. Commercial

vehicles engaged in the delivery or pick up of goods or services shall be exempted from the provisions of this paragraph providing that they do not remain within the Lots in excess of the reasonable period of time required to perform such commercial function.

(2) Each Dwelling shall include at least two completely enclosed and two outside parking places within the Lot. If approved by the Architectural Review Committee, garages may be totally detached from the dwelling and need not be joined by any architectural features. Temporary parking shall be permitted on roads and streets only in areas designated by the Architectural Review Committee and may be prohibited by the Genesee Foundation or the Developer from time to time in order to permit the clearance of snow accumulation on and maintenance of the roads and streets.

(3) No trailer, vehicle, or boat shall be constructed, reconstructed, or repaired upon any Lot in such a manner that such activity is visible from neighboring Lots, General or Special Common Properties or roads.

(4) All garage doors shall be kept closed at all times, with the exception of those times a vehicle is actually entering or exiting the garage. The door may remain open for periodic maintenance of the door or garage area.

(f) Signs No signs whatsoever shall be permitted within any Lot, with the exception of those listed below:

(1) Signs required by legal proceedings

(2) Residential identification signs constructed of materials which are compatible with the architecture of the area, and these shall be subject to the approval of the Architectural Review Committee prior to the erection thereof. Such signs shall not exceed a total face area of two square feet.

(3) Signs of the type usually used by contractors, subcontractors, and tradesmen may be erected during the authorized time of construction, provided those signs do not exceed a total face area of six square feet.

(4) For Sale and For Rent signs may be erected upon a Lot, provided that no more than one sign is erected and that such sign does not extend a total face area of six square feet unless otherwise approved in advance in writing by the Architectural Review Committee.

(5) No sign shall exceed a height of four feet from grade.

(g) Butane, Propane, Fuel Oil, and Natural Gas. Unless otherwise permitted by the Architectural Review Committee, if at any time, natural gas lines are extended to a point proximate to a Lot and natural gas service thereafter is provided to dwelling on a Lot, the Owner of such dwelling shall discontinue use of liquefied propane, butane, gas or fuel oil and shall connect to and utilize the aforesaid natural gas distribution services.

### Section 3. General and Special Common Properties

- (a) No noxious or offensive activity shall be carried on at any of the General or Special Common Properties, nor shall anything be done or placed therein which may be or become a nuisance or cause unreasonable embarrassment, disturbance or annoyance to Owners in the enjoyment of their Lots or the General or Special Common Properties.
- (b) All uses of General and Special Common Properties shall be subject to rules and regulations of the Foundation as promulgated and revised by the directors thereof from time to time.
- (c) No improvement, excavation or other alteration shall be made so as to alter the General and Special Common Properties from their natural or existing state at the time of conveyance by the Developer to the Genesee Foundation unless approved in advance by the Architectural Review Committee or the Developer.
- (d) Areas within the General and Special Common Properties to be utilized for recreational facilities may be so developed by either the Developer or the Foundation, subject only to prior approval of the Architectural Review Committee.
- (e) Uses of the undeveloped and unimproved General or Special Common Properties shall be limited to those activities which do not materially injure or scar the General and Special Common Properties or the vegetation thereon, substantially increase the cost of maintenance, thereof, or cause unreasonable embarrassment, disturbance or annoyance to Owners in the enjoyment of their Lot or the General and Special Common Properties unless sanctioned or approved by the Architectural Review Committee.
- (f) There shall be no camping or picnicking on the General and Special Common Properties except in those areas specifically designated by the Foundation for that purpose.
- (g) There shall be no fires started or maintained in the General and Special Common Properties except for fires started by the Genesee Foundation or its employees incidental to the maintenance of the General and Special Common Properties and except for cooking and campfires in those areas designated for

that use and in recreational facilities in which the same shall expressly be permitted.

(h) No domestic animals shall be permitted on the General and Special Common Properties except:

(1) Generally recognized house or yard pets accompanied by and under the control of their Owners;

(2) Horses upon paths and other areas designated as bridle paths and upon equestrian facilities intended for that use.

(i) The use of snowmobiles, motorcycles or other motorized vehicles off the roadways is expressly prohibited within the General and Special Common Properties except as required for emergency and maintenance purposes.

(j) Uses of bicycles shall be limited to the roads and bike trails provided for their use.

Section 4. Limitations on Annual Assessments.

With reference only to the Additional Property covered by this Supplementary Declaration, the annual assessments provided for pursuant to the Declaration shall not commence until one (1) year from the date of conveyance from the Developer to the first Owner thereof or until the date of occupancy of the dwelling on a Single Family Lot whichever is earlier. Further, in no event shall the annual assessments hereunder exceed the sum of Six Hundred Dollars (\$600.00) per annum during the period through December 31, 1977. After December 31, 1977, the annual and special assessments shall be in such amounts as are fixed by the Board of Directors of the Foundation pursuant to the Declaration and shall be without limitation. The Six Hundred Dollar (\$600.00) limitation on annual assessments during the period through December 31, 1977, as previously described herein, shall be applicable to the regular annual Foundation assessment only and nothing contained in this Supplementary Declaration or in the Declaration shall prohibit, by implication or otherwise, special assessments for capital improvements, emergencies, exterior maintenance and capital contributions, all as provided for in Sections 3, 4 and 5 of Article V of the Declaration.
